

## Orientation Day 2023-2024

Dear Coram Deo Academy Family,

It's hard to believe that by Friday, September 1, we will all be back in the building for a half day orientation. This vital event is foundational for a new academic year here at CDA. I pray you and your families are refreshed after summer break. We have missed you all!

Remember, every student is required to attend Orientation and that each family needs at least one parent, or adult in the building for this event. The students are required to be in uniform. It's a half day event. Lower campus will be done by 11:45 AM and Upper campus will begin at 1:00 PM.
